Year 6 - Swimming

Can all payments for swimming lessons please be made online through the cashless system. The weekly fee is £1, 50. If you have any difficulty paying online, please let the office know and we will talk you through the process.

Congratulations

Congratulations to Mrs Lewis & her family on the birth of her baby daughter this week. Mum and baby are doing very well and we can't wait to see them both soon. Llongyfarchiadau Mrs Lewis!!

Barrier System

Can we please remind all parents that there is NO access to school site between 8.00 and 8.30am, 9.05am until 2.45pm and after 3.05 pm. The barrier system has been introduced as a health and safety measure and we ask parents & carers to respect the no entry times during the announced times. We currently experience many cars driving through when cars leave or have authorised access, which causes a safety danger to our pupils. Thank you for your co-operation.

Once a week - Take a peek!

Head lice are an established part of school life as children spend so much time playing and learning together, it is very easy for them to spread. It is extremely important for you to check your child's head on a regular basis. If your child needed treatment, please keep checking every 2 days until there are no lice found for 10 consecutive days. Then check on a weekly basis. If you are having difficulties treating the head lice or would further advise, please contact the school nurse on 01495 796303.
