Punctuality

Important reminder for ALL parents of school times and punctuality of being in school on time as there have been numerous incidents of children routinely arriving at school at 9.00am or later and collecting their children after 3.15pm or later. Doors open at 8.50am and children need to be in their class to start their lesson promptly. Children who arrive late are greatly disadvantaged because they miss starting the day with their peers and missing the beginning of lessons. Unfortunately we are seeing an increasing number of occasions where children are being picked up late. This can cause anxiety and stress for the children and it requires members of staff to supervise them which means these staff are not able to undertake their duties in preparation for childrens learning the following day. All parents /carers should be on site and ready to pick up their children when school ends at 3.15pm. Only on occasions or emergencies where parents/carers are delayed and school should be informed in advance of this.

Family Learning sessions will start on 1st October for Year 1 pupils and parents. More information to follow.

If you would like to contribute, bare in mind the pictures will be cut up etc, then please hand in your photographs to a member of nursery staff. Now the children are settled into class, could we please ask parents not to bring toys to nursery. Thank you!

Reception

This week we have started reading the story 'Elmer'. We would like to invite children from class 1 and 2 to join in on a special Elmer topic day on Thursday 19th. Children can wear bright colours to school on this day and will be taking part in lots of activities based on the story. A reminder to parents that children will need a PE kit in school at all times which they can keep on their peg. Please can all clothes be clearly labelled.
