This term parent consultations will be taking place on Microsoft Teams at request. If a Teams meeting is requested after receiving your child's report, pupils will be allocated a time by invite on email. This invite will need to be accepted. ### Community Support Officers visit

Community Support Officers (CSOs) 332 Back & 340 Davis attended the school last week with regards to concerns about dangerous parking during peak school times.

CSOs felt that the visit was successful. Many parents observed the parking requirements in the immediate area which had a positive impact on the safety of the children who attend the school. We ask that this positivity continues so that both children and residents remain safe.

Parents and children also actively engaged with us and provided a positive image of the school and wider community - we are looking forward to working with the school more when circumstances allow.

Please continue park safely and courteously - diolch yn fawr!

CSO 332 Back & CSO340 Davis

### Emergency Contact Numbers

Please update the school office if you have changed your mobile number or if any of your child's emergency contact numbers have changed. This is **highly important** should we need to contact you in the event of an emergency, or your child becomes ill in school.

### Pupil Absence

If your child is absent from school, please would parents/carers ensure they telephone the **school office** on 01495 742934 by 9.30am to advise us of the reason for the absence. Please leave a message on the answerphone if you are unable to speak to a member of the office staff.

## Internet Safety

As our home learning tasks will be shared with you online this year, we ask parents to be vigilant about how their children are using our online platforms such as Hwb Classes and Teams etc. Please ensure that work that is being uploaded to these platforms is checked to ensure it is appropriate. We ask that pupils and parents follow the terms of our acceptable use agreements which can be found on the school website

**Collection at the gates at the end of day - no early arrivals please**

- Can we remind parents that we cannot release children to parents waiting in cars as there is a lot of movement on the roundabout and children's safety is paramount.
- Also parents/carers need to ensure that when they can see their children with their teacher(s), they need to move forward into the coned square in front of the gates for staff to release the pupils. We cannot allow pupils to meet parents on the road/roundabout outside the school.
